

Berry Park

Dressing Instructions

Roster Days

Berry Park field generally needs to be dressed/undressed only on Saturdays.

Start/Finish times

Match times can be found by using the NSFA Results Page-

- Leave all the drop-down boxes empty except 'Date' and "Select Field".
- Check times for all three Berry fields (1, 2 and 3).

The screenshot shows the website of the Northern Suburbs Football Association Inc. The header features the club's logo, name, and ABN number. Below the header is a navigation bar with several dropdown menus. The 'Date' dropdown is set to '6th Jul '19' and the 'Select Field' dropdown is set to 'Berry 3'. Below the navigation bar, there are sections for 'LATEST RESULTS' and 'UPCOMING GAMES'. The 'LATEST RESULTS' section has a table with columns for Round, Date, Home Club, Team, Goals, and Away Club.

Round	Date	Home Club	Team	Goals	Away Club
-------	------	-----------	------	-------	-----------

- One person should be able to dress in less than an hour, so for an 8.30am kick-off, a 7.30am start is recommended. More helpers = more sleep-in!
- Undressing the field can commence immediately at the end of the final match - about an hour after kick-off time
- The field needs to be dressed and undressed regardless of whether there is a Mt Colah team playing.

Keys

The keys for Berry Park are locked in a key safe, mounted on the side of the letter-box – the address will be sent to you via email. The key safe is opened using the combination that will be emailed to you by the Grounds Coordinator in the week preceding your rostered weekend.

Key-safe Instructions

1. Enter the code (if you make a mistake, slide down the 'CLEAR' button and re-enter the code).
2. Pull down the 'OPEN' button at the top of the key safe.
3. The lid will open. Remove/replace the keys.
4. To replace the lid, re-enter the combination and place it back into position.

What to unlock

1. Disable Toilet / Net Store / Lights – Key #A16
2. Toilets – Key #A16
3. **Ambulance Gate** on Berowra Rd – Key #A21 **VERY IMPORTANT**

Ensure all door and gate latches are locked in the 'open' position using the padlocks. That way, the padlocks won't get lost and nobody can 'accidentally' trap someone in the toilets.

Please also put out the sponsors' sign (pictured below) near the canteen at the entrance to the grounds:
