

Grounds Officer Position Description

About the club

Mount Colah "Colts" Football Club was founded in 1958, making it one of the oldest of its type in the area. We value strong sporting ethics and fair play, and provide opportunities for all our members to play and develop their soccer skills in a competitive and supportive team environment.

With a spirited and enthusiastic committee, the "Colts" are moving forward with great anticipation of an exciting future and would love you to be a part of it. Our Home grounds are Parklands Oval, Foxglove Oval and Berry Park.

About the role

You will be in control of the allocation of the Club's training areas to each of our teams at the beginning of the season, coordinating the field dressing each weekend for our home grounds, and ensuring that the grounds are in a fit state for play by adhering to the "reasons for grounds closure" guidelines.

Responsibilities include:

- Creation of the Club's training roster
- Creation of the grounds dressing roster
- Invoking grounds closure according to Club/Council guidelines
- Safe-keeping of grounds keys

How will I know what to do?

A comprehensive Handbook will be supplied to you with step-by-step instructions on how to perform each of the required activities. Besides that, you will have the full support of the executive committee, who will be happy to answer any further questions. Some basic excel skills would be useful, but other than that, passion and positivity are the only key requirements!

Why Volunteer?

With our busy lives, it can be hard to find time to volunteer. Many people believe volunteering will consume all their free time. However, each action has a big effect in combination with the efforts of our other volunteers. Just a small amount of your spare time, and attendance at our

friendly monthly committee meetings is that's all that is needed to make a huge difference. The benefits of volunteering are enormous to you, your family, and your community. Our club has a proud tradition of being completely run by volunteers and we cannot do it alone – every person counts. Bring your energy, your opinions, and your new ideas, and together we can continue to reap the rewards as one of the most respected and effective clubs in the Northern Suburbs Football Association.
